

Distribution Viking

GET THE MOST FOR YOUR FERTILIZER DOLLAR

 **Fertilizers and Fertilizer programs** offer a **total plant health** program with both **granular and foliar elements**.

WE OFFER A COMPLETE SERVICE:

- **Collection of soil samples** from your golf course.
- **Advanced and unique method of computer analysis** of the laboratory results. This provides information on the soil chemistry not available from other sources.
- **A detailed** economical and effective **fertilizer program** designed specifically for your golf course with complete directions for the entire growing season on **what fertilizer** to use, **how much** to apply and **when** to apply it.
